

# The Rainbow Fish Maths Game

You will need: Game Board, 4 fish cards, 40 scales, 1 dice or spinner, 4 coloured counters

Instructions: Move around the board following the instructions on each space. Add scales or take scales away from your fish.

Winner is the first to reach 10 scales or the player with the most scales at the end of the game.

There are enough scales here for all the game boards. If you prefer you could cut scales out of metallic card for a more shimmering effect.
