

Year 1, Block A, Unit 1

I can talk about how I solve problems using counting.

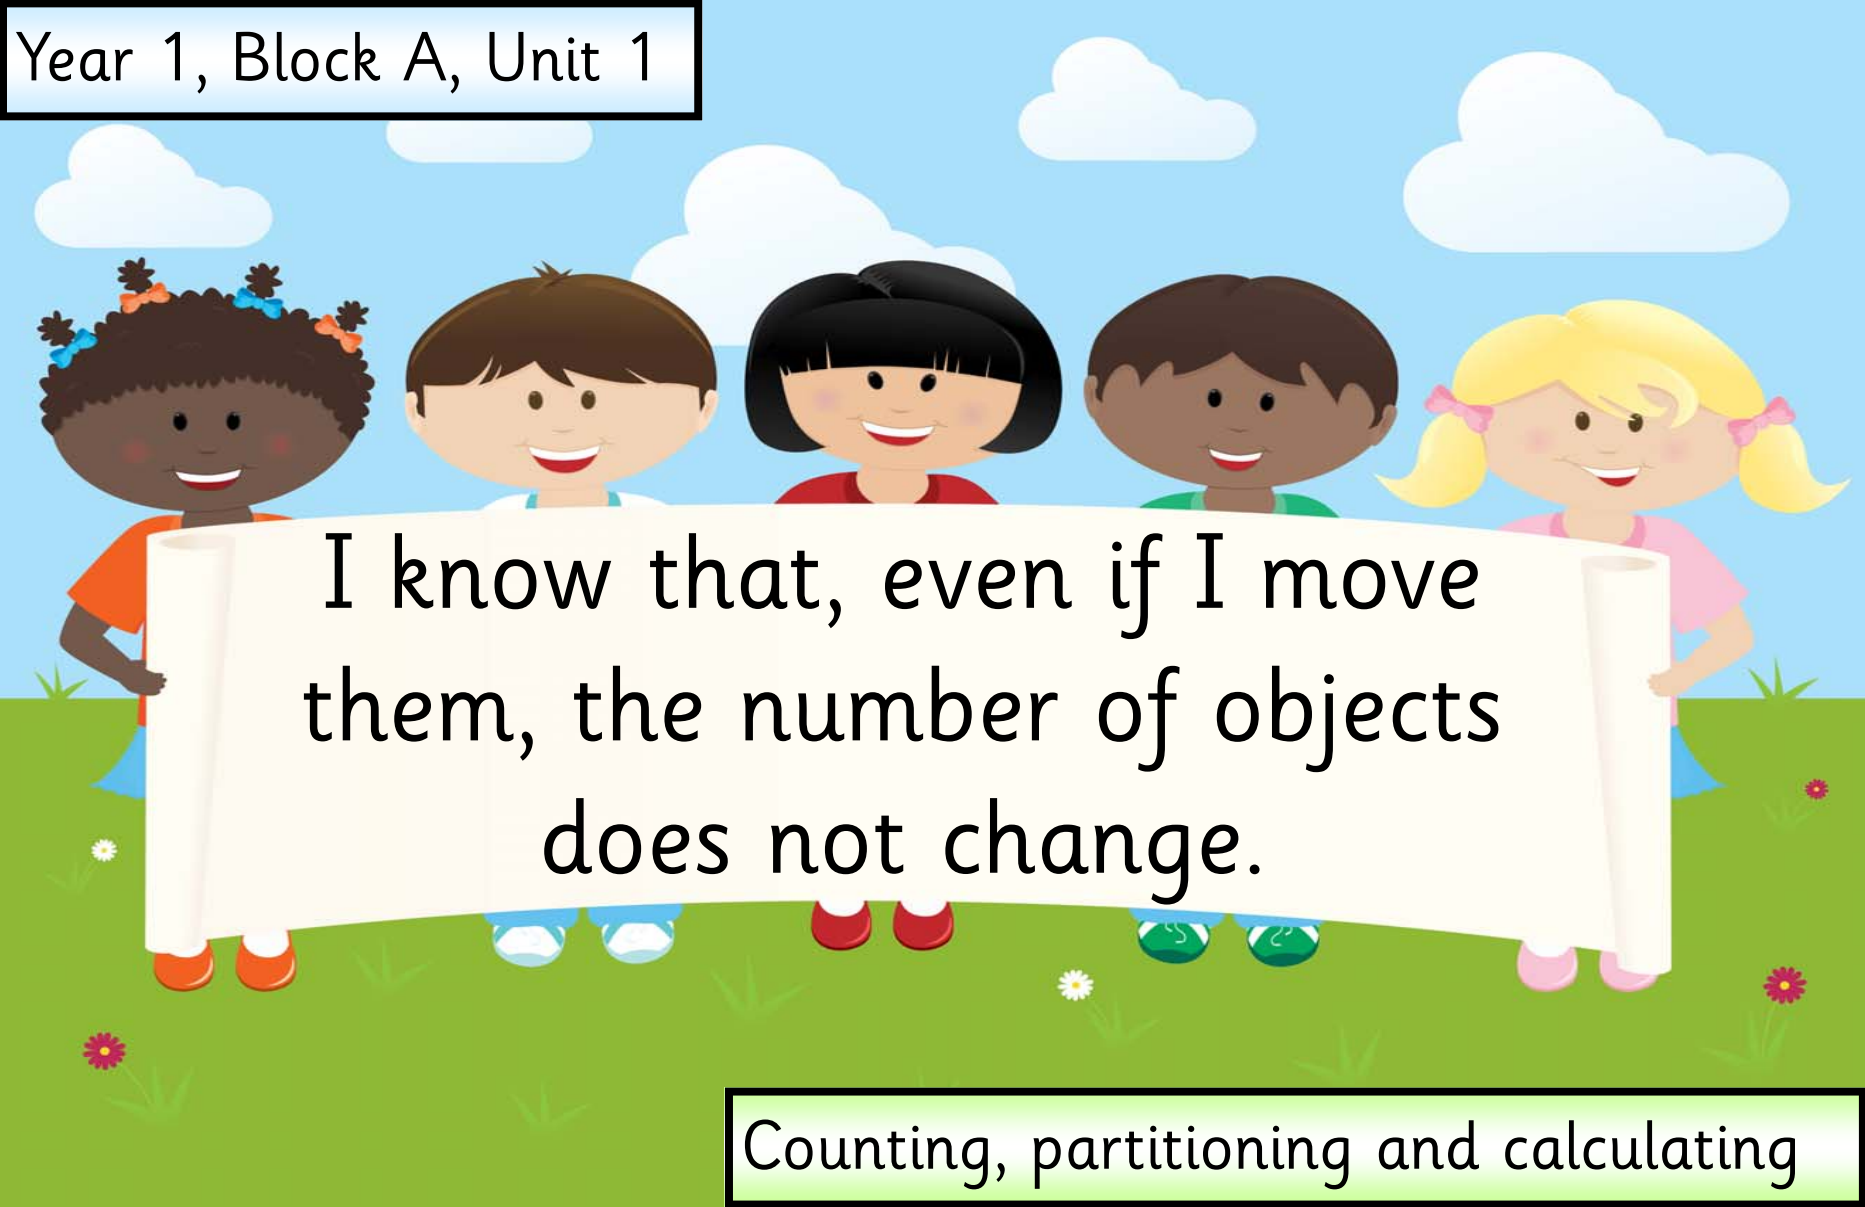

Counting, partitioning and calculating

Year 1, Block A, Unit 1

I can count up to 20  
objects.

Counting, partitioning and calculating

Year 1, Block A, Unit 1

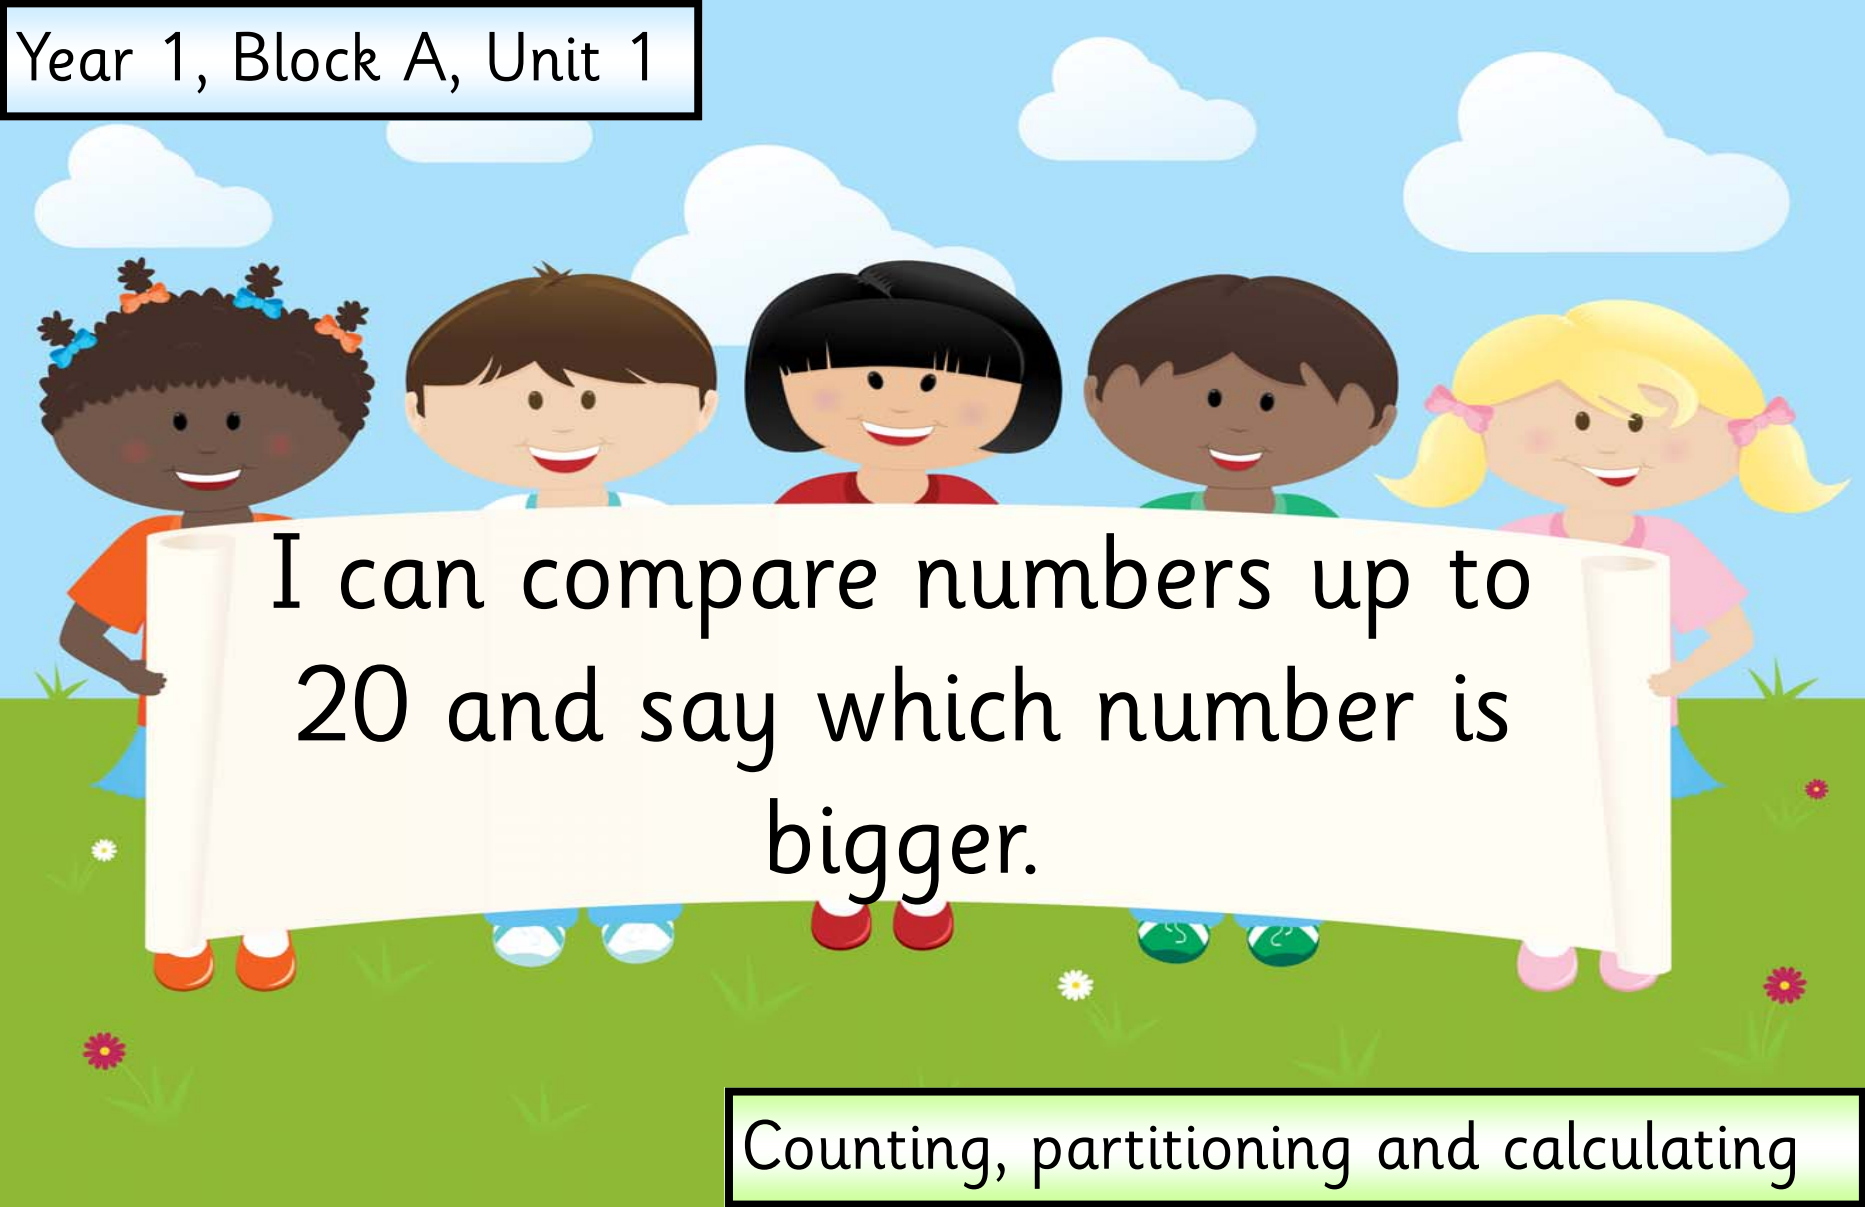

An illustration of five diverse children standing in a grassy field under a blue sky with white clouds. From left to right: a girl with dark skin and curly hair wearing an orange shirt, a boy with light skin and brown hair wearing a light blue shirt, a girl with dark skin and short black hair wearing a red shirt, a boy with dark skin and short brown hair wearing a green shirt, and a girl with light skin and blonde pigtails wearing a pink shirt. They are all smiling and holding a large white banner that spans across the middle of the image.

I know that, even if I move  
them, the number of objects  
does not change.

Counting, partitioning and calculating

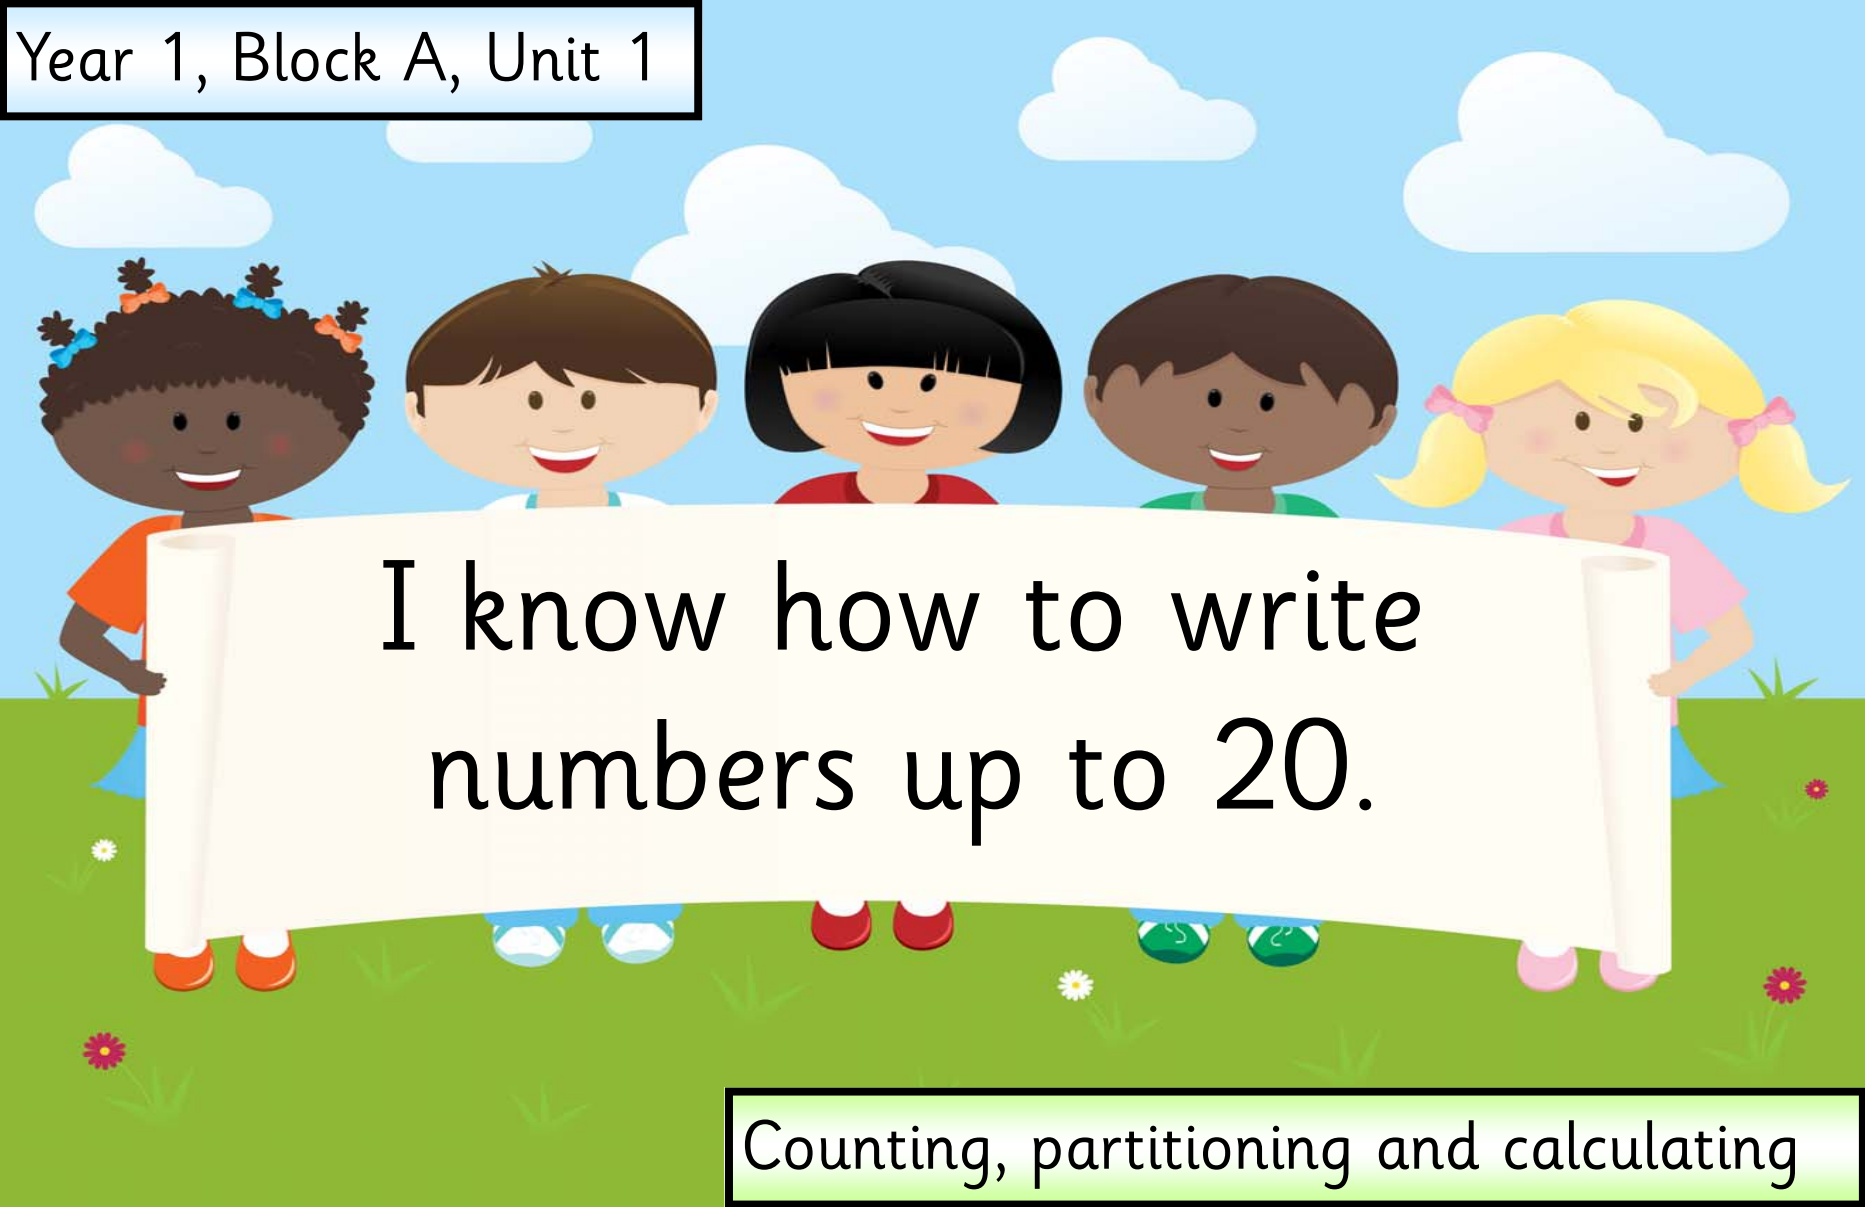

Year 1, Block A, Unit 1

An illustration of five diverse children (two girls and three boys) standing in a grassy field under a blue sky with white clouds. They are holding a large white banner that contains the text. The children are smiling and looking towards the viewer. The banner is held by the girl on the far left and the girl on the far right.

I can compare numbers up to  
20 and say which number is  
bigger.

Counting, partitioning and calculating

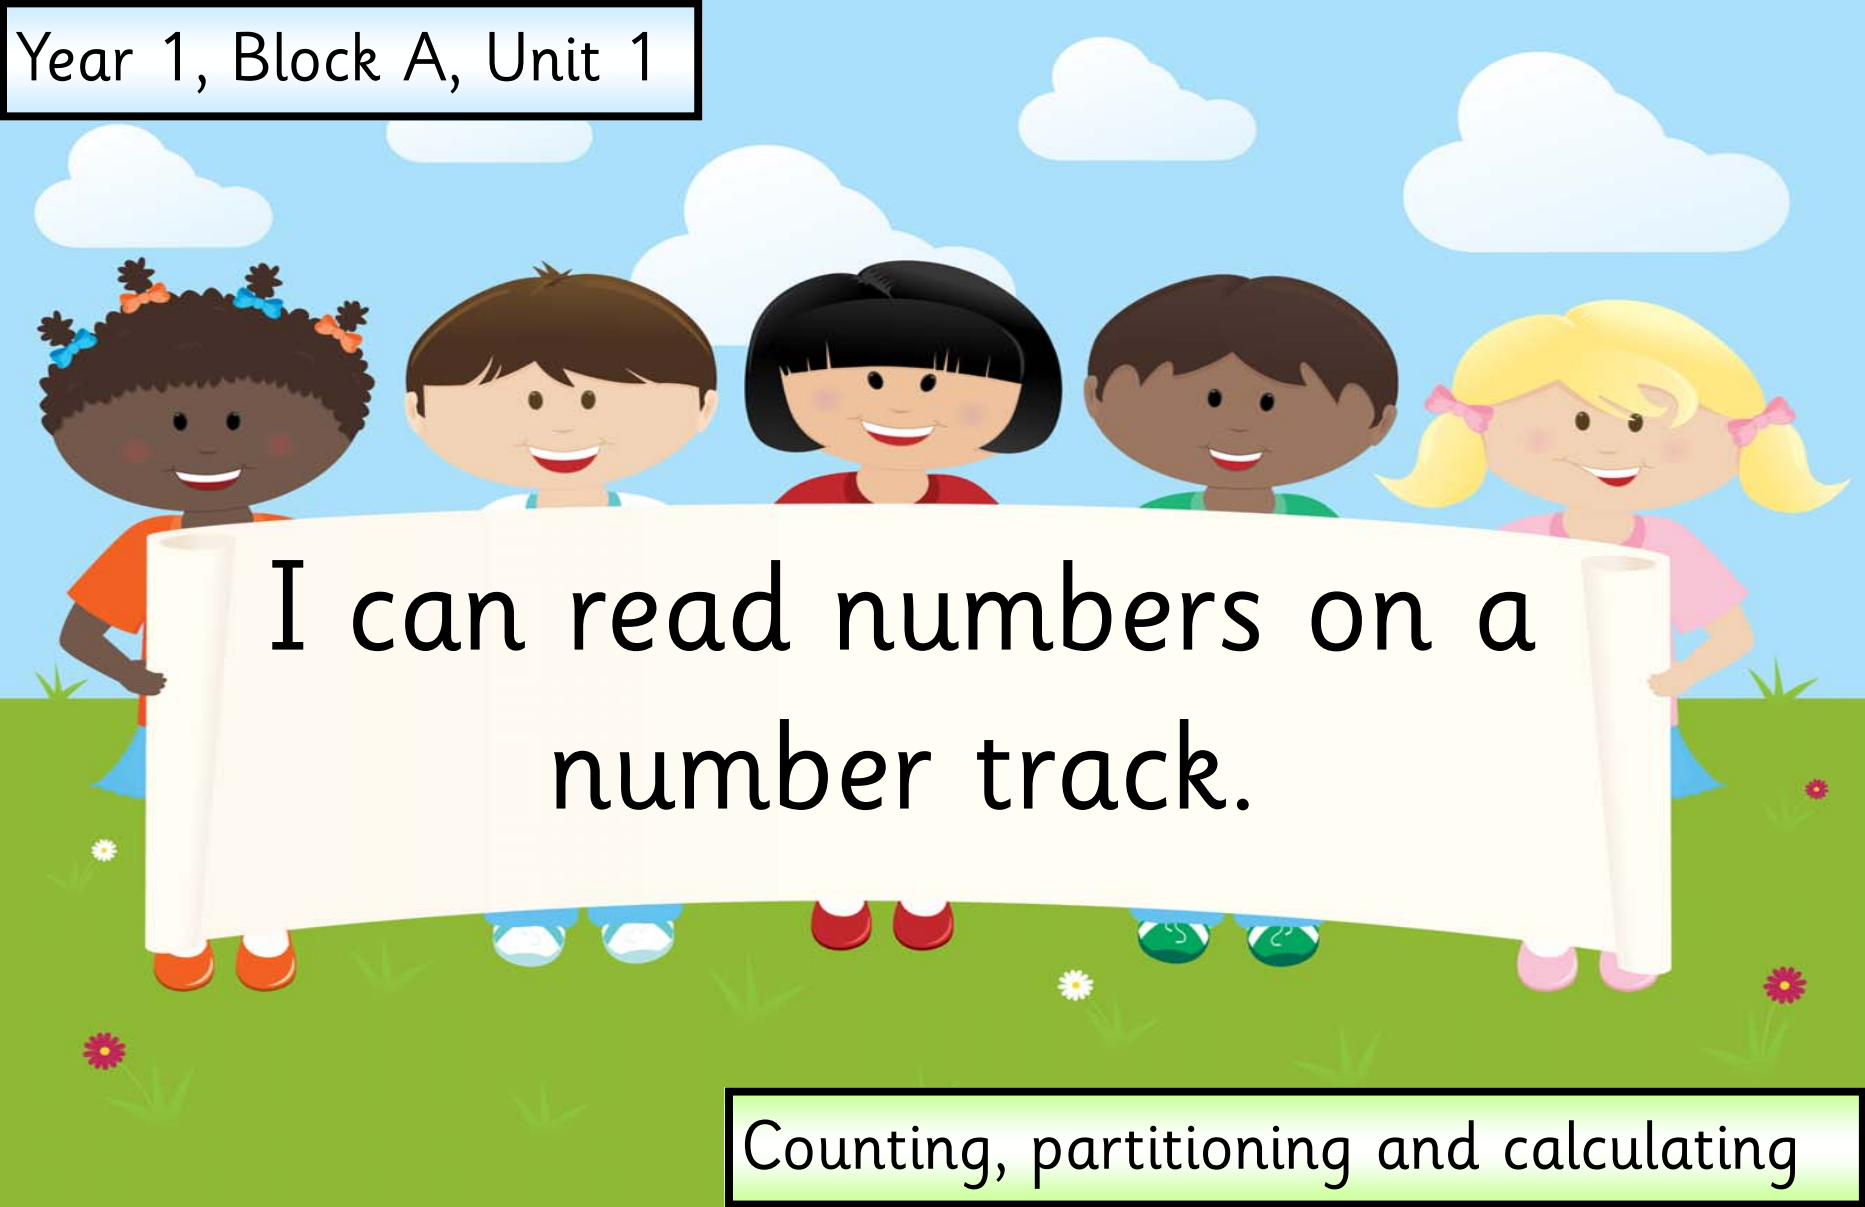

Year 1, Block A, Unit 1

An illustration of five diverse children (three girls and two boys) standing in a grassy field under a blue sky with white clouds. They are holding a large white banner that spans across the middle of the page. The children are smiling and looking towards the viewer. The banner contains the text 'I know how to write numbers up to 20.'

I know how to write  
numbers up to 20.

Counting, partitioning and calculating

Year 1, Block A, Unit 1

I can read numbers on a  
number track.

Counting, partitioning and calculating

Year 1, Block A, Unit 1

I can work out the number  
one more or one less than a  
number up to 20.

Counting, partitioning and calculating

Year 1, Block A, Unit 1

I can add two one-digit numbers.

Counting, partitioning and calculating

Year 1, Block A, Unit 1

I can use objects to take away  
a small number from any  
number up to 20.

Counting, partitioning and calculating

Year 1, Block A, Unit 1

I can talk about adding  
and subtracting.

Counting, partitioning and calculating

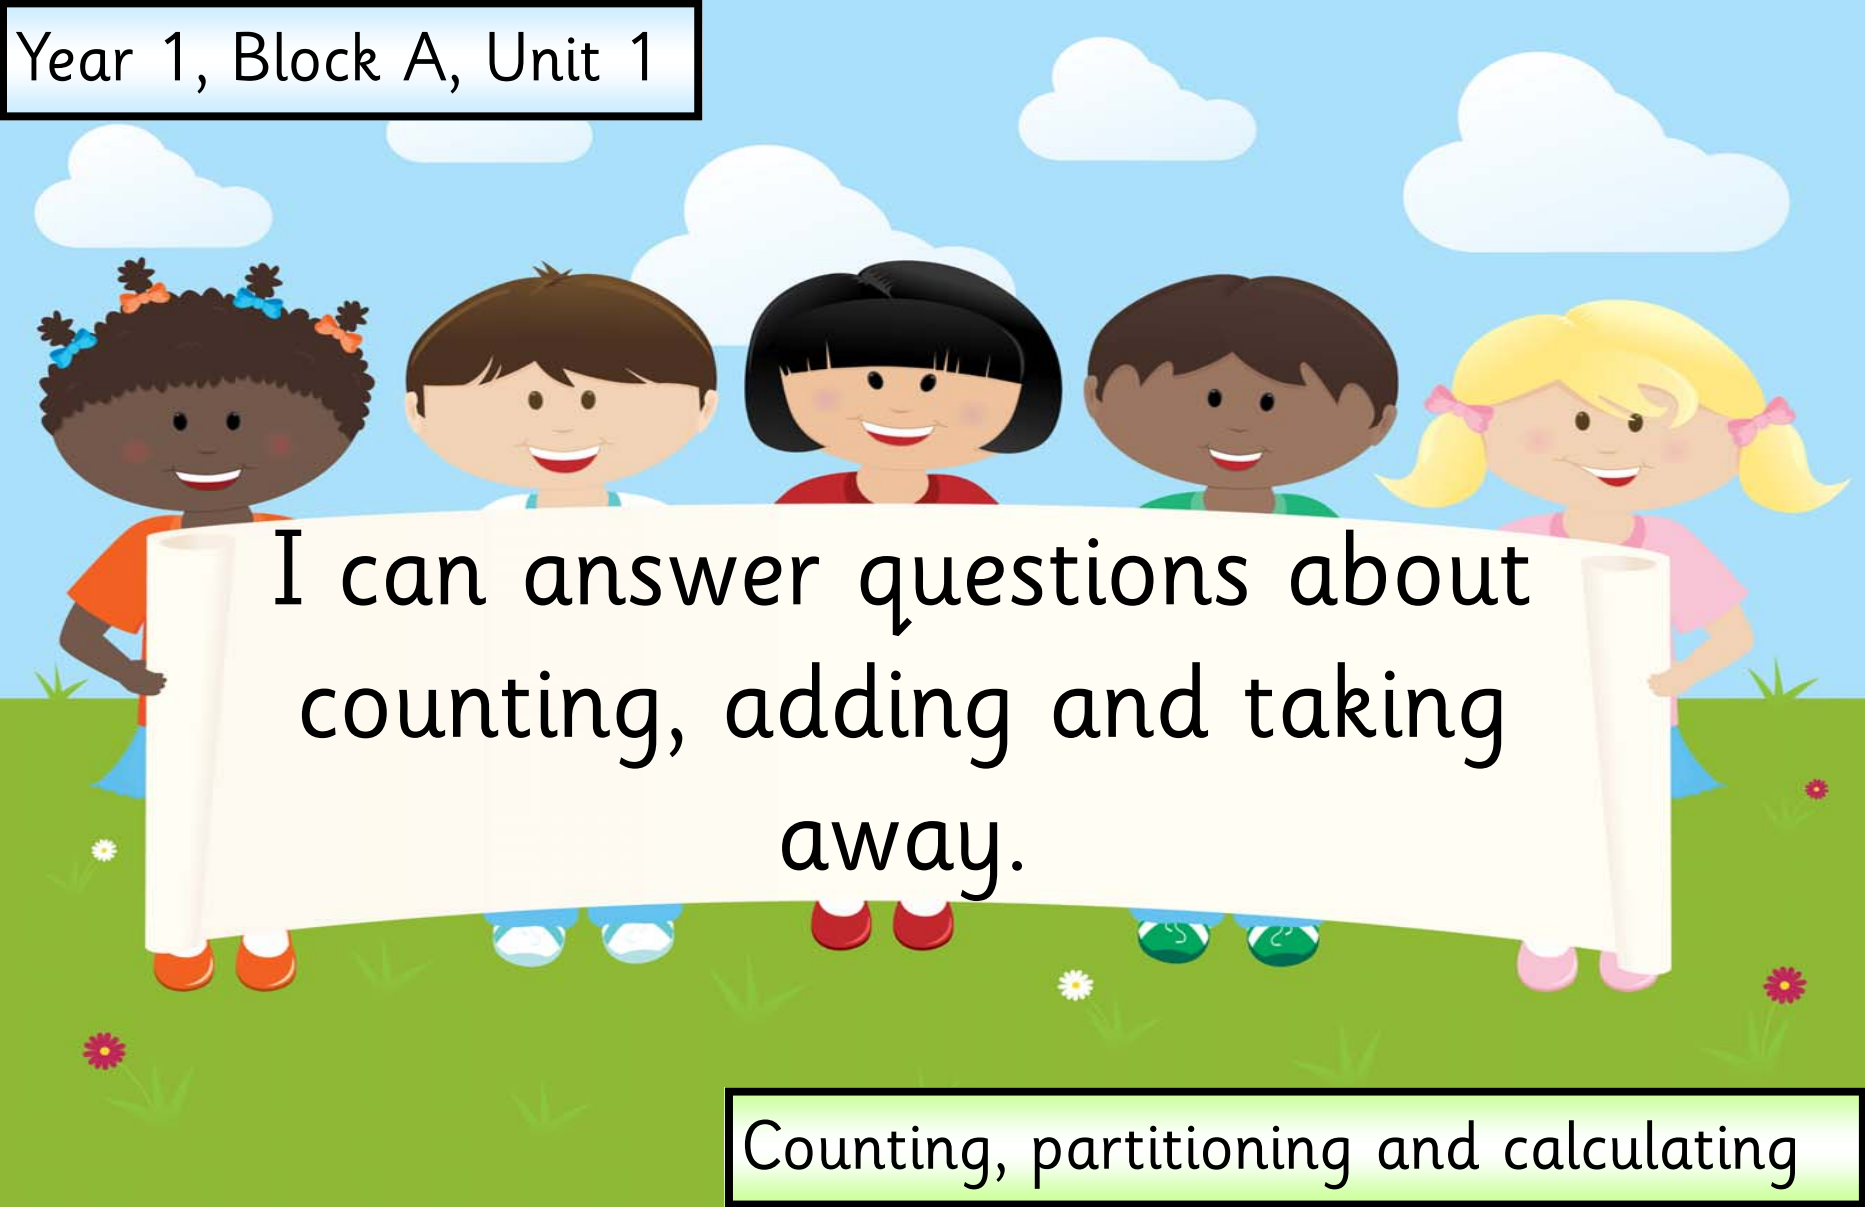

Year 1, Block A, Unit 1

I can record additions  
and subtractions.

Counting, partitioning and calculating

Year 1, Block A, Unit 1

An illustration of five diverse children (two girls and three boys) standing in a grassy field under a blue sky with white clouds. They are holding a large white banner. The children are smiling and looking towards the viewer. The banner is held by the girl on the far left and the girl on the far right.

I can answer questions about  
counting, adding and taking  
away.
