

Year 3, Block C, Unit 2

Handling Data and  
Measures

I can decide  
what  
information to  
collect to  
answer a  
question.

Year 3, Block C, Unit 2

Handling Data and  
Measures

I know that  
temperature  
can be  
measured in  
degrees  
Celsius.

Year 3, Block C, Unit 2

Handling Data and  
Measures

I can read the  
temperature  
on a  
thermometer  
to the nearest  
degree.

Year 3, Block C, Unit 2

Handling Data and  
Measures

I can find how  
long a journey  
took if I know  
the start and  
end times.

Year 3, Block C, Unit 2

Handling Data and  
Measures

I can show  
information in  
a pictogram  
where each  
picture  
represents two  
people.

Year 3, Block C, Unit 2

Handling Data and  
Measures

I can place  
objects on a  
Carroll  
diagram.

Year 3, Block C, Unit 2

Handling Data and  
Measures

I can say what  
parts of a  
presentation  
helped me to  
understand.
