

Year 3, Block E, Unit 3

Securing number facts,  
relationships and calculating

I know that a  
division  
problem can  
involve  
sharing or  
grouping

Year 3, Block E, Unit 3

Securing number facts,  
relationships and calculating

I can test  
examples to  
follow an  
enquiry about  
numbers

Year 3, Block E, Unit 3

Securing number facts,  
relationships and calculating

I can  
recognise and  
continue a  
pattern

Year 3, Block E, Unit 3

Securing number facts,  
relationships and calculating

I can partition  
numbers in  
different ways

Year 3, Block E, Unit 3

Securing number facts,  
relationships and calculating

I can  
recognise what  
fraction of a  
shape is  
shaded, and  
say and  
write it

Year 3, Block E, Unit 3

Securing number facts,  
relationships and calculating

I can use my  
knowledge of  
multiplication  
tables to find  
division facts

Year 3, Block E, Unit 3

Securing number facts,  
relationships and calculating

I can add and  
subtract  
two-digit and  
three-digit  
numbers by  
writing  
them down

Year 3, Block E, Unit 3

Securing number facts,  
relationships and calculating

I can multiply  
and divide a  
two-digit  
number by a  
one-digit  
number

Year 3, Block E, Unit 3

Securing number facts,  
relationships and calculating

I can find  
fractions of  
numbers

Year 3, Block E, Unit 3

Securing number facts,  
relationships and calculating

I can discuss  
how to solve a  
problem. I can  
explain how I  
solved it and  
why I chose  
that method
