Partition into tens and units

Put the biggest number first

Add 11 by adding 10
and then adding 1 more

A colorful illustration of five diverse children (two girls and three boys) standing in a grassy field under a blue sky with white clouds. They are holding a large white banner that contains the text. The banner is held by a girl on the left and a girl on the right. The children are smiling and looking towards the viewer. The banner is a simple white rectangle with rounded ends, and the text is written in a blue, sans-serif font. The background is a bright blue sky with several white, fluffy clouds. The ground is green grass with some small white and pink flowers. The entire scene is framed by a decorative border consisting of a repeating pattern of red plus signs, yellow minus signs, green multiplication signs, and blue division signs.

Add 9 by adding 10
and then taking 1 away

Use number bonds that
make 10

Use number bonds that
make 20
