

'I Can...' Science statements: Life Processes and Living Things

Level W

I am aware of my own body and that by moving parts of it can have a cause and effect. e.g. throwing a toy.

'I Can...' Science statements: Life Processes and Living Things

Level W

I am able to recognise familiar people.

'I Can...' Science statements: Life Processes and Living Things

Level W

I respond to my own name.

'I Can...' Science statements: Life Processes and Living Things

Level W

I know and understand how to get attention: physically and verbally (not necessarily speech).

'I Can...' Science statements: Life Processes and Living Things

Level W

I can make eye contact.

'I Can...' Science statements: Life Processes and Living Things

Level W

I understand that different people have different names.
